If you use water outside your home for lawns and gardens, you may be eligible for an adjustment in your sewer user fees for the Third Quarter (July 1 – September 30).

Please fill out the attached form and return it to the Sewer Department office at the Municipal Building if you do expect to use water outside during the Third Quarter. The Finance Department will then use an average of your first and second quarter usage to calculate your Third Quarter bill. This adjustment should provide a savings to families who wish to water their lawns, gardens, or wash their cars, etc.

NOTE: YOU WILL NOT BE ELIGIBLE FOR THIS ADJUSTMENT IF:

- 1) You run a business on your property;
- 2) The Residence is used for Commercial Rental;

Per Chapter 11, Sewer Rate Ordinance; Sec #11.02.04.04.02.03.02 (4-4-2000)
